

**During the closure of US 22 at the Fosters Viaduct over the Little Miami River, the following local restrictions will be in effect:**

- The eastbound lane of Socialville-Fosters Road is **closed** at its approach to Old 3C Highway.
- The westbound lane of Fosters-Maineville Road is **closed** at its approach to Old 3C.
- Left & right turns from Socialville-Fosters & Fosters-Maineville onto Old 3C will be **prohibited**.
- The Little Miami Scenic Park Trail crossing at Old 3C is **closed**.

**The following traffic movements will remain in place:**

- Old 3C Highway will remain **open** to local traffic. *(Heavy trucks are not permitted and must follow the posted detour.)*
- All right-turn movements to and from US 22 & Old 3C Highway will remain in place.
- Left turns from Old 3C at its junction with US 22 East or US 22 West, on either side of the viaduct, will not be restricted.
- All turning movements from Old 3C to Socialville-Fosters & Fosters-Maineville roads will be **permitted**.
