**SPECIFICATIONS
FOR
2026 DEERFIELD TOWNSHIP STREET MARKING
DEERFIELD TOWNSHIP, WARREN COUNTY, OHIO**

GENERAL

The performance of all work under this contract shall include furnishing all labor, materials, equipment and tools for various phases of this project.

The bidder is cautioned to familiarize himself with the Specifications to make a thorough examination of the conditions, and to note the extent of work required in this contract especially.

Bidders must use the bid form furnished by the Township without alterations in submitting their bids. The Township reserves the right to reject any and/or all bids.

DEFINITIONS AND TERMS

THE TOWNSHIP

The term "Township" is used herein shall be held to mean the Township of Deerfield, Warren County, Ohio, as represented by its duly authorized officers or agents.

THE CONTRACTOR

The term "Contractor" as used herein shall be held to mean the firm, corporation, company or individual contracting with the Township to do the work in the manner called for by these specifications.

THE OWNER

The term "Owner" as used herein shall be held to mean the Agent of Deerfield Township or his duly authorized representative.

REPLACEMENT OR CORRECTION OF WORK

The Contractor shall, upon receipt of notice from the Township, if any work, or part thereof, fails to conform to the Contract, promptly replace or correct (whichever the Township shall require) such work, or such party, so as to conform to Contract. The Contractor shall do so at his own expense and shall also bear expenses incident to such replacement or corrective work, including costs of transportation, removal of work, and replacement of repairs to and alterations in the work of other Contractors necessitated by the first mentioned replacement or corrective work.

If the Contractor is unable to fulfill the conditions of the Contract by replacing or correcting the work, he shall promptly and at his own expense, on request by the Township or the Owner, remove the affected work in its entirety, as a partial discharge of his liability for such inability.

PROTECTION OF WORK AND PROPERTY

The Contractor shall continuously maintain adequate protection of all his work from damage and shall protect the Township's property from injury arising in connection with this Contract. He shall make good and hold the Township harmless from any such damage or injury. He shall adequately protect adjacent property as provided by law and this Contract, and shall be held liable for all damages because of neglect to provide safeguards around all pits, openings and excavations. Contractor shall provide and maintain all passageways, guard fences, lights and other facilities for protection required by public authority or local conditions.

The Contractor shall replace or restore any tree, public way, sewer or drain, water, gas, or other pipe, fence, or other structure interfered with by him, and not required to be permanently removed under the provisions of this Contract.

PROTECTION

The Contractor shall erect and maintain sufficient guard rails, lights, barriers, barrels, etc. for the protection of the public and his employees during the time of construction.

INSURANCE

The Contractor shall obtain, at his own expense and cost, insurance as set forth below:

Before any work embodied in the Contract will be permitted or performed, the Contractor shall furnish two copies of certificate of insurance as evidence that he has procured Public Liability and Property Damage Insurance, which shall protect him and his sub-contractors from all claims for damages for personal injuries, including accidental death, and which shall protect them from claims for property damages which may arise from their operations under the Contract.

The Contractor shall maintain such insurance coverage in not less than the following amounts:

Public Liability and Contingent Public Liability	
For one person.....	\$1,000,000.00
For one accident.....	\$1,500,000.00
Property Damage and Contingent Property Damage	
For one person.....	\$1,000,000.00
For one accident.....	\$1,500,000.00

All of the insurance referred to above shall be subject to the approval of the Township, and shall be kept in full force and effect until the work is accepted by the Township.

The Contractor shall hold the Township harmless against all actions, claims or demands for damages of any kind or character whatsoever, which are caused by or resulting from the default, carelessness or neglect of the Contractor, his agent, employees or workmen in the prosecution of the work.

LIENS

The Contractor shall deliver to the Township the work complete free from liens, claims or encumbrances for materials or labor used in the work.

BID REQUIREMENTS

The successful bidder is required to submit proof of current coverage under Ohio Workman's Compensation Laws, Comprehensive Public Liability Insurance policy in an amount not less than \$500,000 for injuries, including accidental death to any one person, and \$1,000,000 on account of any one accident of claim, property damage insurance in an amount not less than \$100,000. All wages shall follow the prevailing wage guideline as set forth in Sections 4115.03 through 4115.16 of the Ohio Revised Code.

All bids shall be sealed and marked, 2025 Deerfield Township Street Marking and mailed or delivered to the Deerfield Township Administrative Office, 4900 Parkway Drive, Suite 150, Mason, Ohio 45040, **on or before Tuesday, July 14, 2026, by 9:00 am** at which time they will be opened and made public.

The Deerfield Township Trustees will require unit price bidding for the construction described in the specifications. These unit prices shall be extended by estimated quantities to develop a total price for the project.

The Deerfield Township Trustees reserve the right to accept the lowest responsible bid, to reject any and all bids, and to waive any irregularities in bids, which do not impair the bidding process. The Deerfield Township Trustees also reserve the right to conduct all necessary inquiries and investigations in determining the lowest and best responsible bidder.

INFORMATION REGARDING BIDS

Bidders may bid on 2026 Deerfield Township Street Marking. Bids will be accepted only on forms available from the township.

Bidders shall make a visual inspection and take all the necessary measurements of the streets to be stripped and shall submit written certification with their proposal that such inspection has been made.

The successful bidder must have proof of liability in an amount satisfactory to the township to protect the contractor and the township against any personal and property damages.

The successful bidder must supply all materials, equipment, utilities, and labor.

All work must be completed within thirty (60) days from the date of the contract.

The successful bidder shall have a pre-construction meeting with the project superintendent or representative from their company and the township assistant public works director within five (5) days from awarding of the contract.

Information and specifications are available from *Chip Cowan, Assistant Public Works Director, at the Deerfield Township Administrative Office, 4900 Parkway Drive, Suite 150, Mason, Ohio 45040, phone number 513-701-6978.*

The Deerfield Township Trustees reserve the right to determine the sequence of the road mileage to be stripped and to determine at its sole option the total mileage to be stripped.

Prevailing wage is to be paid on this project if the quoted amount is \$30,320.00 or above.

CONTRACT

THIS AGREEMENT, made this _____ 2026, with the Board of Township Trustees of Deerfield Township, 4900 Parkway Drive, Suite 150, Mason, Ohio 45040, hereinafter called Owner and _____ doing business as a corporation hereinafter called Contractor.

WITNESSETH; that for and in consideration of the payments and agreements hereinafter mentioned, to be made and performed by the Owner, the Contractor hereby agrees with the Owner to commence and complete the construction described as follows:

Deerfield Township - 2026 Street Marking

Hereinafter called the project, for the sum of _____ and all work in connection therewith, under the terms as stated in the conditions of the Contract; and at its own cost and expense furnish all the materials, supplies, machinery, equipment, tools, labor insurance, and other accessories and services necessary to complete the said project in accordance with the conditions and prices stated in the Proposal, Conditions of the Contract, the Specifications and Contract Documents. Contract Documents means and includes the following:

- A) General Instructions to Bidders
- B) Technical Specifications
- C) Noncollusion Affidavit
- D) Certification of Inspection
- E) Experience Statement
- F) Overall Bid Specs and documents

The CONTRACTOR hereby agrees to commence work under this contract on or before a date to be specified in a Written Notice to Proceed of the OWNER and to have the project completed and functioning within 60 consecutive calendar days after the date of the Notice to Proceed. If the work is not complete by that date the Contractor also agrees to pay as liquidated damages, the sum of \$200 for each consecutive calendar day thereafter.

This Agreement may be terminated by either party upon written notice in the event of substantial failure by the other party to perform in accordance with the terms of this Agreement. The nonperforming party shall have fifteen calendar days from the date of the termination notice to cure or to submit a plan for cure acceptable to the other party.

OWNER may terminate or suspend performance of this Agreement for OWNER'S convenience upon written notice to CONTRACTOR. CONTRACTOR shall terminate or suspend performance of the services/work on a schedule acceptable to OWNER.

All sums due the Contractor shall be paid within thirty days after completion of the work.

The CONTRACTOR will indemnify and save the OWNER, their officers and employees, harmless from loss, expenses, costs, reasonable attorneys fees, litigation expenses, suits at law or in equity, causes

of action, actions, damages, and obligations arising from (a) negligent, reckless or willful and wanton acts, errors or omissions by CONTRACTOR, its agents, employees, licensees, subcontractors, consultants or subconsultants; (b) the failure of the CONTRACTOR, its agents, employees, licensees, subcontractors, consultants or subconsultants to observe the applicable standard of care providing services pursuant to this agreement; (c) the intentional misconduct of the CONTRACTOR, its agents, employees, licensees, subcontractors, consultants or subconsultants that result in injury to persons or damage to property for which the OWNER may be held legally liable.

The CONTRACTOR does hereby agree to indemnify and hold the OWNER harmless for any and all sums for which the OWNER may be required to pay or for which the OWNER may be held responsible for the failure of the CONTRACTOR or any subcontractor to pay the prevailing wage upon this project.

The contractor shall bind every subcontractor to, and every subcontractor must agree to be bound by the terms of, this Agreement, as far as applicable to the subcontractor's work, particularly concerning Prevailing Wages and EEO requirements. Nothing contained in this Agreement shall create any contractual relationship between any subcontractor and Owner, nor create any obligations on the part of the Owner to pay or see to the payment of any sums to any subcontractor.

IN WITNESS WHEREOF, the parties hereto have executed, or caused to be executed by their duly authorized officials, this agreement in two counterparts, each of which shall be deemed an original on the date first above written.

**EQUAL EMPLOYMENT OPPORTUNITY REQUIREMENTS
AND BID CONDITIONS FOR
WARREN COUNTY CONSTRUCTION PROJECTS**

CERTIFICATE OF COMPLIANCE FOR EEO PURPOSES: (This section applies only to projects that are funded with Federal and State monies)

All bidders on the project **shall** submit together with their bid, a copy of a valid Certificate of Compliance for Equal Employment Opportunity purposes contained herein.

A copy of the Certificate of Compliance is enclosed with this bid response? Yes No

BIDDER'S EEO COVENANTS:

Throughout its performance of any contract awarded to it on this project, the bidder agrees to the following covenants:

1. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, national origin, ancestry or sex. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, national origin, ancestry or sex. Such action shall include, but is not limited to, the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2. The contractor will in all solicitations or advertisements for employees placed by or on behalf of the prime contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, national origin, ancestry or sex.
3. The contractor agrees to fully cooperate with the County, the State Equal Employment Opportunity Coordinator and with any other official or agency, or the State or Federal government which seeks to eliminate unlawful employment discrimination, and with all other State and Federal efforts to assure equal employment practices under its contract and the contractor shall comply promptly with all requests and directions from the County, the State Equal Opportunity Coordinator and any of the State of Ohio officials and agencies in this regard, both before and during construction.
4. Full cooperation as expressed in clause (3), above, shall include, but not be limited to, being a witness and permitting employees to be witnesses and complainants in any proceedings involving questions of unlawful employment practices, furnishing all information requested by the County and the State Equal Employment Opportunity Coordinator, and permitting access to its books, records, and accounts by the County and the State Equal Employment Opportunity

Coordinator for purposes of investigation to ascertain compliance with applicable rules, regulations and orders.

5. In the event of the contractor's noncompliance with the nondiscrimination clauses of its contract or with any of the said rules, regulations, or orders, its contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further County construction contracts.

In the event that is contract is terminated for a material breach of EEO requirements, the contractor shall become liable for any and all damages which shall accrue to the County as a result of said breach.

6. The contractor will require the inclusion of language reflecting these same six covenants within every subcontract or purchase order it executes in the performance of its contract unless exempted by rules, regulations or orders of the State Equal Employment Opportunity Coordinator so that these provisions will be binding upon each subcontractor or vendor. The contractor will take such as the County may direct as a means of enforcing such provisions, including sanctions for noncompliance; provided, however, that in any litigation with a subcontractor, vendor or other party as a result of such direction by the County, the contractor may be requested to protect the interests of the County.

The bidder hereby adopts the foregoing covenants?

_____ Yes _____ No

PLEASE NOTE: *The bidder's failure to adopt the Bidder's EEO Covenants and complete the foregoing certification will cause the bidder's proposal to be rejected as being non-responsive.*

BID SUBMITTED BY:

CONTRACTOR

ADDRESS

SPECIAL PROVISIONS/TECHNICAL SPECIFICATIONS

GENERAL

DESCRIPTION – This work shall consist of furnishing all materials, equipment, and labor necessary for the required pavement preparation and application of uniformly retro-reflective pavement marking materials.

All material furnished, work performed, and equipment used shall conform to Section 640-Pavement Marking (specifically Item 641, Item 642, Item 643, and Item 644, respectively) of the current Ohio Department of Transportation Construction and Material Specifications. Also, all pavement markings shall conform, in general, with the requirements of the Ohio Manual of Uniform Traffic Control Devices for Streets and Highways.

No material shall be placed upon collected water or wet pavement. The judgment of the Deerfield Township's designated representative shall determine when restarts are in order.

MATERIAL – All pavement marking materials shall conform to 641.02 of the current ODOT Construction and Materials Specifications. Pavement marking material will be furnished by the Contractor and applied to roads as determined by Deerfield Township.

Pavement marking materials furnished by the Contractor shall not be modified in any way. Drums must be factory-sealed when delivered to the job site. No thinning of paint shall be permitted. Drums shall be thoroughly stirred, and the entire contents of each drum shall be transferred to the striper tank. During application of pavement markings, paint in the tank shall be agitated continuously.

{The remaining portion of this page was left blank intentionally.}

SPECIAL PROVISIONS/TECHNICAL SPECIFICATIONS

PROJECT START DATE

No work may be started until a pre-construction meeting has been held at the office of the Deerfield Township and a written notice-to-proceed has been given by the Board of Township Trustees.

COMPLETION DATE

All work shall be completed and functioning within 60 consecutive calendar days after the Notice to Proceed date. Deerfield Township may extend the completion date in the event of adverse weather conditions.

MAINTAINING TRAFFIC

Traffic control shall be the sole responsibility of the Contractor. The number of flagmen and method of traffic control shall be determined by the Contractor and be in compliance with the Ohio Department of Transportation Standards. Deerfield Township shall be held harmless from liabilities caused by improper traffic control by the Contractor. All road construction signs shall also be the responsibility of the Contractor. The Contractor shall maintain traffic at all times during construction. The cost for traffic control and maintaining traffic shall be paid for in Item 643 – Center Line.

PAVEMENT PREPARATION

All pavement preparation shall conform to 641.05 of the current ODOT Construction and Materials Specifications.

LAYOUT AND PRE-MARKING

All layout and premarking shall conform to 641.06 of the current ODOT Construction and Materials Specifications. “T” marking of no-passing zones shall be established by the Contractor in accordance with a no-passing zone log to be provided to Deerfield Township at the pre-construction meeting.

SPECIAL PROVISIONS/TECHNICAL SPECIFICATIONS

PAVEMENT MARKING APPLICATION

APPLICATION – Pavement marking application shall conform to the current ODOT Construction and Materials Specifications.

EQUIPMENT – Pavement marking equipment shall conform to 641.04, 642.03, 643.03, and 644.03 of the current ODOT Construction and Materials Specifications.

The Contractor shall use a suitable vehicle or machine to safely and efficiently remove wet paint protection devices from the pavement.

All Vehicles used by the Contractor in the performance of work items shall be equipped with yellow rotating flashers, signs and red flags.

The pavement marking striper shall be equipped with a pressure-regulated air jet designed to blow dust off the pavement in advance of the spray gun. The air jet shall operate when paint is being applied and shall be synchronized with paint application or remain “on” at all times.

The Contractor will be required to supply one lead and one backup vehicle during the stripping operation.

DEDUCTION FOR DEFICIENCY

The amount of pavement marking material and beads applied per unit of length will be computed by the Engineer at the end of each day’s work. Allowance for deficiency of materials used of 2 percent or less shall be permissible without deduction. If a deficiency exists for pavement marking material and beads, only the greater will be used to compute the deduction.

For deficiency greater than 2 percent but less than 20 percent, the contract unit price shall be reduced in direct proportion to the computed percentage. The Engineer will advise the Contractor at this time of the deduction to be made.

If a deficiency of more than 20 percent is found, the work shall be considered unacceptable and shall be re-stripped at the expense of the Contractor, including full cost of labor, equipment and materials.

The quantity of pavement marking used shall be determined by reading the pavement marking meter before and after the pavement marking is applied and by dividing the total gallons used by the mileage striped. Any determinations of pay deduction resulting from shortage in pavement marking quantities shall be based on the measurements obtained by this method. The amount of glass beads applied shall be ascertained in pounds by the Engineer by observation and from information required from the Contractor as to quantity used.

METHOD OF MEASUREMENT – Centerline, Edge line, and Lane line shall be measured as actual length of application in miles. Auxiliary markings shall be measured as the actual length in feet or number of each applied. The Contractor shall determine and advise the Engineer at the end of each workday of the quantity of work performed. The Contractor shall provide the Engineer with quantity sheets showing the daily application in gallons of paint and in length. The Engineer shall approve the quantities and/or resolve any discrepancies prior to performance of any additional work by the Contractor.

HOUSEKEEPING – The Contractor shall keep storage areas, trucks, and equipment as clean and orderly as possible.

PREVAILING WAGE – This is a prevailing wage project if the quoted amount is \$30,320.00 or above. It is the contractor's responsibility to ensure that all proper prevailing wage rates and guidelines are met. Certified payroll reports and affidavits of compliance are due with each invoice.

BID PROPOSAL – UNIT PRICING

Unit pricing for the striping of various roads in Deerfield Township as per specifications by the Deerfield Township Public Works Department. The undersigned do hereby propose to furnish all labor, materials, tools, equipment, etc., to mark pavement on various roads in Deerfield Township provided, therefore at the following prices.

***THE QUANTITIES LISTED ON THE BID FORM ARE ONLY ESTIMATED QUANTITIES**

The quotes are to be in full force and effect for Ninety (90) days after the date of opening bids. Method of measurement is in accordance with 641.12 of the current ODOT Construction and Material specifications. The total quantities will be measured by the contractor and verified by Deerfield Township on a daily basis. Deerfield Township has the right to add additional striping to the list and also has the right to remove striping quantities from the bid list if necessary to keep within our budget.

**CERTIFICATE OF COMPLIANCE
WITH THE EMPLOYMENT PROVISIONS OF THE
FEDERAL IMMIGRATION AND NATIONALITY ACT AS A REQUIREMENT
FOR DOING BUSINESS WITH DEERFIELD TOWNSHIP**

DEERFIELD REQUIREMENTS

The Trustees of Deerfield Township adopted a resolution on April 17, 2007 requiring that the Township include in all requests for proposal a requirement that any prospective contractor seeking to do business with the Township must certify their compliance with the employment provisions of the Immigration and Nationality Act ("INA"). The INA governs the treatment of aliens in the United States. Under the INA it is unlawful for any person or entity to hire or recruit an alien knowing the alien is unauthorized to work in the United States. Further, it is unlawful under the INA to hire an individual for employment in the United States without complying with employment verification requirements and such requirements include examination of identity documents completion of an I-9 Form for every employee hired. Bids lacking an executed original of this form will not be considered.

CERTIFICATION OF CONTRACTOR

Contractor or (name of company) _____ by its (title of officer) _____ certifies that it has not been convicted of or plead guilty to a violation of the Immigration and Nationality Act where said violation took place in Warren County, Ohio or any adjacent county within four years of the date of the certificate; that it shall comply fully with all terms of the Federal Immigration and Nationality Act during performance of the contract and require its subcontractor(s) to do the same, including, but not limited to, requiring all employees to provide identity documentation and complete an I-9 Form. Contractor acknowledges that if it or any of its subcontractors violate the employment provision of the Immigration and Nationality Act the contract may be terminated by the Township.

Prevailing Wage Information

PREVAILING WAGE CONTRACTOR RESPONSIBILITIES

This is a summary of prevailing wage contractors' responsibilities. For more detailed information please refer to Chapter 4115 of the Ohio Revised Code

General Information

Ohio's prevailing wage laws apply to all public improvements financed in whole or in part by public funds when the total overall project cost is fairly estimated to be more than \$250,000 for new construction or \$75,000 for reconstruction, enlargement, alteration, repair, remodeling, renovation, or painting.

Ohio's prevailing wage laws apply to all public improvements financed in whole or in part by public funds when the total overall project cost is fairly estimated to be more than \$98,974 for new construction that involves roads, streets, alleys, sewers, ditches and other works connected to road or bridge construction or \$29,653 for reconstruction, enlargement, alteration, repair, remodeling, renovation, or painting of a public improvement that involves roads, streets, alleys, sewers, ditches and other works connected to road or bridge construction.

- a) Thresholds are to be adjusted biennially by the Administrator of Ohio Department of Commerce, Division of Industrial Compliance and Labor, Bureau of Wage and Hour Administration
- b) Biennial adjustments to threshold levels are made according to the Price Deflator for Construction Index, United States Department of Commerce, Bureau of the Census*, but may not increase or decrease more than 3% for any year

Penalties for violation

Violators are to be assessed the wages owed, plus a penalty of 100% of the wages owed.

Intentional Violations

If an intentional violation is determined to have occurred, the contractor is prohibited from contracting directly or indirectly with any public authority for the construction of a public improvement. Intentional violation means "a willful, knowing, or deliberate disregard for any provision" of the prevailing wage law and includes but is not limited to the following actions:

- Intentional failure to submit payroll reports as required, or knowingly submitting false or erroneous reports.
- Intentional misclassification of employees for the purpose of reducing wages.
- Intentional misclassification of employees as independent contractors or as apprentices.
- Intentional failure to pay the prevailing wage.
- Intentional failure to comply with the allowable ratio of apprentices to skilled workers as required by the regulations established by Ohio Department of Commerce, Division of Industrial Compliance and Labor, Bureau of Wage and Hour Administration.
- Intentionally employing an officer, of a contractor or subcontractor, that is known to be prohibited from contracting, directly or indirectly, with a public authority.

Responsibilities

- A. Pay the prevailing rate of wages as shown in the wage rate schedules issued by the Ohio Department of Commerce, Division of Industrial Compliance and Labor, Bureau of Wage and Hour Administration, for the classification of work being performed.
 - 1. Wage rate schedules include all modifications, corrections, escalations, or reductions to wage rates issued for the project.
 - 2. Overtime must be paid at time and one-half the employee's base hourly rate. Fringe benefits are paid at straight time rate for all hours including overtime.
 - 3. Prevailing wages must be paid in full without any deduction for food, lodging, transportation, use of tools, etc.; unless, the employee has voluntarily consented to these deductions in writing. The public authority and the Director of Ohio Department of Commerce, Division of Industrial Compliance and Labor, Bureau of Wage and Hour Administration - must approve these deductions as fair and reasonable. Consent and approval must be obtained before starting the project.

- B. Use of Apprentices and Helpers cannot exceed the ratios permitted in the wage rate schedules.
 - 1. Apprentices must be registered with the U.S. Department of Labor Bureau of Apprenticeship and Training.
 - 2. Contractors must provide the Prevailing Wage Coordinator a copy of the Apprenticeship Agreement for each apprentice on the project.

- C. Keep full and accurate payroll records available for inspection by any authorized representative of the Ohio Department of Commerce, Division of Industrial Compliance, and Labor, Bureau of Wage and Hour Administration or the contracting public authority, including the Prevailing Wage Coordinator. Records should include but are not limited to:
 - 1. Time cards, time sheets, daily work records, etc.
 - 2. Payroll ledger/journals and canceled checks/check register.
 - 3. Fringe benefit records must include program, address, account number, & canceled checks.
 - 4. Records made in connection with the public improvement must not be removed from the State for one year following the completion of the project.
 - 5. Out-of-State Corporations must submit to the Ohio Secretary of State the full name and address of their Statutory Agent in Ohio.

- D. Prevailing Wage Rate Schedule must be posted on the job site where it is accessible to all employees.

- E. Prior to submitting the initial payroll report, supply the Prevailing Wage Coordinator with your project dates to schedule reporting of your payrolls.

- F. Supply the Prevailing Wage Coordinator a list of all subcontractors including the name, address, and telephone number for each.
 - 1. **Contractors are responsible for their subcontractors' compliance with requirements of Chapter 4115 of the Ohio Revised Code.**

**Department
of Commerce**

Division of Industrial Compliance

- G. Before employees start work on the project, supply them with written notification of their job classification, prevailing wage rate, fringe benefit amounts, and the name of the Prevailing Wage Coordinator for the project. A copy of the completed signed notification should be submitted to Prevailing Wage Coordinator.
- H. Supply all subcontractors with the Prevailing Wage Rates and changes.
- I. Submit certified payrolls within two (2) weeks after the initial pay period. Payrolls must include the following information:
 - 1. Employees' names, addresses, and social security numbers.
 - a. Corporate officers/owners/partners and any salaried personnel who do physical work on the project are considered employees. All rate and reporting requirements are applicable to these individuals.
 - 2. Employees' work classification.
 - a. Be specific about the laborers and/or operators (Group)
 - b. For all apprentices, show level/year and percent of journeyman's rate
 - 3. Hours worked on the project for each employee.
 - a. The number of hours worked in each day and the total number of hours worked each week.
 - 4. Hourly rate for each employee.
 - a. The minimum rate paid must be the wage rate for the appropriate classification. The Department's Wage Rate Schedule sets this rate.
 - b. All overtime worked is to be paid at time and one-half for all hours worked more than forty (40) per week.
 - 5. Where fringes are paid into a bona fide plan instead of cash, list each benefit and amount per hour paid to program for each employee.
 - a. When the amount contributed to the fringe benefit plan and the total number of hours worked by the employee on all projects for the year are documented, the hourly amount is calculated by dividing the total contribution of the employer by the total number of hours worked by the employee.
 - b. When the amount contributed to the fringe benefit is documented but not the total hours worked, the hourly amount is calculated by **dividing the total yearly contribution by 2080**.
 - 6. Gross amount earned on all projects during the pay period.
 - 7. Total deductions from employee's wages.
 - 8. Net amount paid.
- J. The reports shall be certified by the contractor, subcontractor, or duly appointed agent stating that the payroll is correct and complete; and that the wage rates shown are not less than those required by the O.R.C. 4115.
- K. Provide a Final Affidavit to the Prevailing Wage Coordinator upon the completion of the project.

INSTRUCTIONS FOR PREPARING CERTIFIED PAYROLL REPORTS

General:

Contractors and subcontractors are required by law to submit certified payroll reports for work on projects covered by Ohio's Prevailing Wage Law. This form meets the reporting requirements established by Ohio Revised Code Chapter 4115. The use of this form is not mandatory; employers may submit their own forms if all of the required information is included. This form may be reproduced, or additional copies obtained from:

**Ohio Department of Commerce
Division of Industrial Compliance
Bureau of Wage and Hour Administration
6606 Tussing Road, P.O. Box 4009
Reynoldsburg, Ohio 43068-9009

Certified Payroll Heading:

Employer name and address: Company's full name and address...Indicate if the company is a subcontractor.

Subcontractor: Check and list the name of the General Contractor or Prime.

Project: Name and location of the project, including county.

Contracting Public Authority: Name and address of the contracting public authority... (Owner of the project).

Week Ending: Month, day, and year for last day of reporting period.

Payroll #: Indicates first, second, third, etc. payroll filed by the company for the project.

Page indicator: number of pages included in the report.

Project Number: Determined by the public authority...If there is no number leave blank.

Payroll Information by column:

- Employee Name, Address and Social Security number: This information must be provided for all employees that perform physical labor on the project. The Social Security number is required; the last four digits may be permitted by the public authority. Corporate officers, partners, and salaried employees are considered employees and must be paid the prevailing rate. Individual sole proprietors do not have to pay themselves prevailing rate but must report their hours on the project.
- Work Class: List classification of work performed by employee. If unsure of work classification, consult the Ohio Department of Commerce-Division of Industrial Compliance & Labor-Bureau of Wage and Hour Administration. Employees working more than one classification should have separate line entries for each classification. Indicate what year/level for Apprentices. Be specific when using laborer and operator classifications; for example, Backhoe Operator or Asphalt Laborer or by "Group".
- Hours Worked, Day & Date: In the first row of column 3, enter days of the company's pay period for example; M T W TH F S S. The second row is for the date that corresponds with each day for the pay period. In the employee information section, enter the number of hours worked on the prevailing wage project and which day the hours were worked. Separate rows are labeled for (ST) straight time hours and (OT) overtime hours. All hours worked after 40, must be paid at the appropriate overtime rate.
- Project Total Hours: Total the hours entered for pay period.
- Base Rate: Enter actual rate per hour paid to the employee. The overtime hourly rate is time and one-half the base rate listed in the prevailing wage schedule plus fringe benefits at straight time rate. The prevailing wage schedule lists the base rate plus fringe benefit amounts. These amounts added together equal the total prevailing wage rate. Employers must pay this total amount in one of three ways.
 - Total rate may be paid in entirety in the base rate to the employee; in which case, the cash designation will be checked for fringe benefits.
 - Total rate may be paid as listed in prevailing wage rate schedule with total fringe amounts paid approved plans.
 - Total rate may be paid with a combination of base rate and fringe payments to approved plans in amounts other than those listed in schedule.
- Project Gross: Enter total gross wages earned on the project for straight time and overtime. Project hours "X" base rate should equal project gross.
- Fringes: If fringe benefits are paid in the hourly base rate, indicate this by marking the **Cash** space. If fringe benefits are paid to approved plans as listed in the prevailing wage rate schedule, mark the space **Approved Plans**. If fringe benefits are paid partially in the base rate and partially to approved plans, mark the space **Cash & Approved Plans**. List the hourly amount paid to approved plans for each fringe. If payments are not made on a per hour basis, **calculate the hourly fringe credit by dividing the yearly employer contribution by** the lesser of: hours actually worked in the year (these must be documented) or **2080**. Fringe benefits include: **Employer's share** of health insurance, life insurance, retirement plan, bonus/profit sharing, sick pay, holiday pay, personal leave, vacation, and education/training programs. If unsure of a possible fringe benefit, contact the Ohio Department of Commerce-Division of Industrial Compliance & Labor-Bureau of Wage and Hour Administration.
- Total Hours All Jobs: Total all hours worked during the pay period including non-prevailing wage jobs.
- Total Gross All Jobs: Gross amount earned in the pay period for all hours worked.
- Self-explanatory.
- Self-explanatory.
