Please submit one copy (in electronic PDF format) of your statement of qualifications in accordance with the requirements set forth on Exhibit A attached hereto including particular information relevant to the types of work set forth on Exhibit B attached hereto. However, if you have already submitted qualifications to our office within the past two years and your project team is essentially the same as your earlier submittal, you may simply send a letter of interest (in electronic PDF format) referencing your qualifications to perform the attached list of general project types.

The Township may (i) amend, modify, or withdraw this RFQ, (ii) revise requirements of this RFQ, (iii) require supplemental statements or information from any firm, (iv) accept or reject any or all responses hereto, (v) extend the deadline for submission of responses thereto, (vi) negotiate or hold discussions with any respondent and to waive defects and allow corrections of deficient responses which do not completely conform to the instructions contained herein, and (vii) cancel this RFQ, in whole or in part, if the Township deems it in its best interest to do so. The Township may exercise the foregoing rights at any time without notice and without liability to any proposing firm or any other party for their expenses incurred in the preparation of the responses hereto or otherwise.

The Township makes no representation that participation in the RFQ process will lead to an award of contract or any consideration whatsoever. The Township reserves the right to seek proposals from and to contract with any firm not participating in this process. The awarding of a contract is at the sole discretion of the Township.

Firms may be disqualified and their responses not considered for any of the following reasons:
